

Heartiest Congratulations to the organisers and participants of the NRI Punjabi Sammelan

In the homeland and in the Diaspora there is growing trend of drifting from the Sikh religion by Sikhs challenging the basic identity of the nation.

To counter drug addiction amongst the youth in Punjab, we need to encourage sports activity in every village.

We call upon the participants of the NRI Punjabi Samellan to ensure that Sikh sportspersons --men and women -- sport unshorn hair and maintain their Sikhi Saroop.
